

Winner Area Chamber of Commerce CHAMBER NEWS

October 2016

It's that time again! Winner is about to welcome hunters from all over the country into our fine town. Rooster Rush is a wonderful opportunity to gain new business and build relationships that will last many years to come. The pheasant population compared to 2015 is down 20% statewide and down 18% in the Winner area. (We aren't going to let this stop us :) We want to remind hunters that this year's index is still twice as high as the 2013 index. Good pheasant hunting opportunities still exist in 2016. In 2015 Tripp

County ranked #1 in the state in pheasants harvested and dollars spent by resident & non-resident hunters combined! Winner truly is a sportsman's paradise! The Chamber office has hunting guides and maps available for hunters. You can always send hunters our way for more information.

We are encouraging all businesses to wear orange or Rooster Rush shirts Friday & Saturday of opening weekend to show our support and welcome hunters to Winner! We used our Rooster Rush funds to purchase short-sleeve and long-sleeve shirts, so contact me while your size is available.

Thank you to these Chamber members that play a huge part in providing hospitality to hunters so they continue to return to the Winner area year after year! Thank you also for preserving the habitat so South Dakota can continue to be a pheasant hunting paradise.
