

The Winner Area Chamber of Commerce handed out prizes to the winners of a successful Holiday Promotion. The promotion ran from November 17 to December 21 at participating Chamber businesses. Each promotional “green sheet” had \$10 increments worth \$300. The maximum number of completed “green sheets” that counted was 3 towards a large purchase. The idea behind the promotion was to shop locally. The winners were awarded Winner Cash, which is essentially just like cash. Winners can use their Winner Cash at any chamber business.

The following were drawn as winners in the Holiday Promotion. Videos of the drawings can be viewed on the Chamber’s Facebook page.

- \$100 Katie Craven
- \$100 Swana Claussen
- \$100 Sharon Womeldorf
- \$100 Sherry Bohnet
- \$100 Angie Flammang
- \$200 Marty Phillips
- \$200 Vicki Shippy
- \$300 Todd Volmer
- \$300 Dee Foster
- \$500 David Lewis
- \$500 Melissa Dennis

Approximately 1750 completed “green sheets” were turned into the Chamber Office for the drawing. With 1750 completed “green sheets” worth \$300 each, the Holiday Promotion saw at least \$525,000 spent locally during the promotional period.

Thank you to all businesses and customers that participated and supported our local businesses during this promotional period and year round.
